Canuc Announces OTCQB Listing in the U.S.

Canuc Resources Corporation (“**Canuc**” or the “**Company**”) (TSX-V: CDA) is pleased to announce that its common shares are now trading on the OTCQB Venture Market (“OTCQB Venture”) under the stock ticker symbol “CNUCF”.

The OTCQB Venture Market is the premiere marketplace for early stage and developing U.S. and international companies. Participating companies must be current in their reporting and undergo an annual verification and management certification process. Investors can find real-time quote and market information at <https://www.otcm Markets.com/stock/CNUCF/overview>.

Canuc’s common shares will continue to trade on the TSX Venture Exchange (“TSXV”) under the symbol “CDA”.

Neither the TSX Venture Exchange nor its Regulation Service Provider (as defined in TSX Venture Exchange policies) accepts responsibility for the adequacy or accuracy of this release.

About OTC Markets Group Inc.

OTC Markets Group Inc. operates the OTCQX Best Market, the OTCQB Venture Market, and the Pink Open Market for 10,000 U.S. and global securities. Through OTC Link ATS and OTC Link ECN, the OTC Markets Group connects a diverse network of broker-dealers that provide liquidity and execution services. OTC Markets Group enables investors to easily trade through the broker of their choice and empowers companies to improve the quality of information available for investors.

About Canuc

Canuc is a junior resource company holding the San Javier Silver-Gold Project in Sonora State, Mexico. The Company generates cash flow from natural gas production at its MidTex Energy Project in Central West Texas, USA where Canuc has an interest in eight producing gas wells and has rights for further in field developments. Canuc also has exclusive rights, through a Partnership Agreement with Iotici Networks Inc., to sell Industrial IoT applications and infrastructure in the Provinces of Alberta and Saskatchewan, Canada and in the State of Texas, USA.

Forward Looking Information

This news release contains forward-looking information. All information, other than information of historical fact, constitute “forward-looking statements” and includes any information that addresses activities, events or developments that the Corporation believes, expects or anticipates will or may occur in the future including the Corporation’s strategy, plans or future financial or operating performance.

When used in this news release, the words “estimate”, “project”, “anticipate”, “expect”, “intend”, “believe”, “hope”, “may” and similar expressions, as well as “will”, “shall” and other indications of future tense, are intended to identify forward-looking information. The forward-looking information is based on current expectations and applies only as of the date on which they were made. The factors that could cause actual results to differ materially from those indicated in such forward-looking information include, but are not limited to, the ability of the Corporation to fund the exploration expenditures required under the Agreement. Other factors such as uncertainties regarding government regulations could also affect the results. Other risks may be set out in the Corporation’s annual financial statements, MD&A and other publicly filed documents.

The Corporation cautions that there can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, investors should not place undue reliance on forward-looking information. Except as required by law, the Corporation does not assume any obligation to release publicly any revisions to forward-looking information contained in this press release to reflect events or circumstances after the date hereof.
